

Bevisol is a leading supplier of high quality alcoholic beverages to the drinks industry. Due to an exciting £6m expansion, we are looking to recruit:

Full Time Production Technicians. £25,966 + shift allowance of £3120 per annum.

Duties to include operating plant and equipment, undertaking fermentation recipes, filtration, product make up and QC analysis at all differing process stages, using high tech equipment.

This is a 24/7 operation, and you must be prepared to work 12 hour shifts, including nights and weekends.

Applicants need to be educated to GCSE level or above, have strong attention to detail, be a self starter, willing to learn new processes, and must be a team player. Previous experience of working in a drinks manufacturing environment is desirable but not essential as all training will be given.

Some training for these roles may take place in The Netherlands, so applicants must be willing to travel overseas.

Anticipated start date is 4th January 2021, although there will be paid training opportunities throughout December.

Company benefits include Death in Service Scheme, Company Medical Insurance and an attractive Bonus Scheme.

To apply for this position please email your CV and covering letter to donna.thomas@bevisol.com

Closing 31st October 2020.
